MEMORANDUM FOR: Director of Personnel

ATTENTION : Chief, Position Management and Compensation Division
THROUGH : Acting Deputy Director for Science and Technology
SUBJECT : Reorganization of the Office of ELINT, DD/S&T

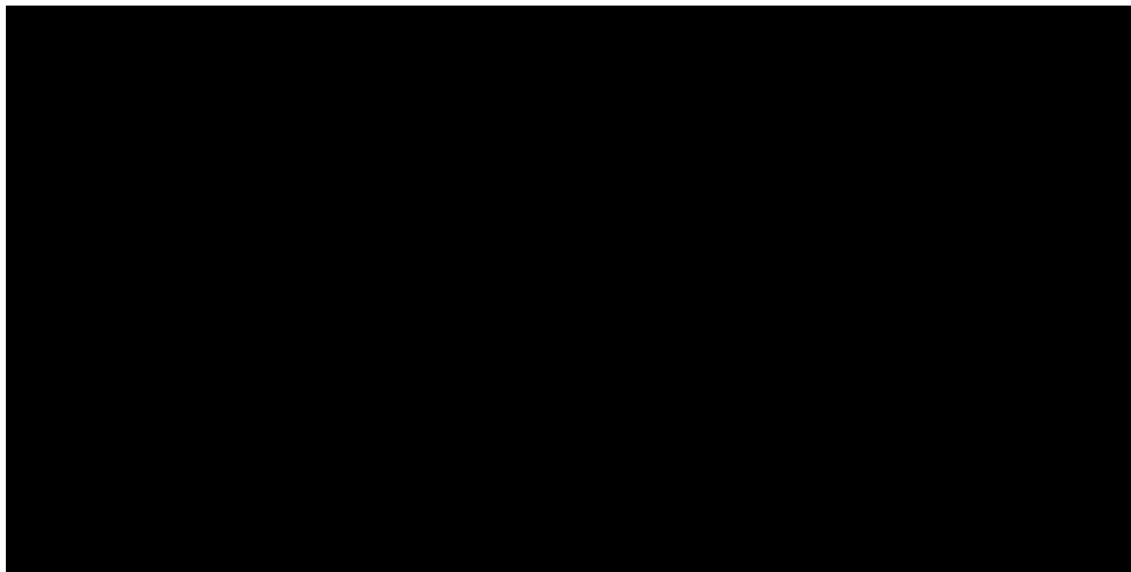

1. Attached is a proposed reorganization for the Office of ELINT revised to conform to present needs.

2. The increasing complexity of electronic target signals and the corresponding increase in complexity of collection equipment have necessitated a closer integration of engineering and collection. Thus, certain significant changes in organization have to be made. These changes are the integration of the Operations Division into the Ground Systems Division, and the assignment of the Signal Measurement Staff to the Air Systems Division.
